Write about the following topic:

Explain the difference between goods and services by giving some examples for each one.

Goods are things we buy. Food, clothing, toys, and books are goods. People need money to buy goods.

Goods can be grown like tomatoes and peppers. Goods can be made like salsa and soup.

A service is something useful that people do for others. Doctors help people who are sick or hurt. They

also help people stay healthy. A restaurant server helps

you get the food you ordered. A barber or stylist cuts people's hair so they look neat and clean. Taking care

of people, serving food to them, and cutting hair are service
